

OREGON IS IN CRISIS AND WE NEED THE COURAGE FOR CHANGE.

- ✓ Unleash **REAL** job opportunities and an economy where small business owners, farmers, loggers, ranchers, and fishermen -- all Oregonians can thrive;
- ✓ Stand with law enforcement over lawlessness and clean up Oregon's streets;
- ✓ Return control of Oregon schools to parents and kids; and
- ✓ Do the hard things — stand up to cowardly politicians in power.

BRIDGET **BARTON**

G O V E R N O R

A Relentlessly Optimistic Outsider
