PRO 2A**

MEDICAL FREEDOM

NO MANDATES

EDUCATION

**FUNDS FOLLOW STUDENT
TRANSPARENCY IN CURRICULUM**

Polls show the majority of Oregonians think the state is headed in the wrong direction. District 12 needs a fighter like Nicole to go toe to toe with radicals ignoring the homelessness issue, pushing a woke agenda in schools, infringing on the 2nd Amendment, failing our kids and taxing us to death! We need Nicole in the legislature!
